

Join us today!

SMU Smart City Society is the one-stop platform for SMU students interested in smart city management & technologies that solve urbanization problems.

Smart City Society

Here's how our membership works!

Membership Types

SCS Associates (Alumni and Sculptors)

Requirements

- Been a past EXCO member
- Completed SCULPT

Purpose

- Continual sharing of interest with engagement post SCULPT
- Gain a network of like-minded friends and seniors interested in smart solutions for cities.

SCS Members

Requirements

- Fill up [Membership Form](#)
- Paid Membership Fee \$15

Purpose

- Commit to meet and engage with like-minded people
 - Opportunities to work together for hackathons
 - Sharing of relevant events, knowledge, articles
- Interest to join the club's events

SCS Interest Channel

Requirements

- Join through the [channel link!](#)

Purpose

- General interest to just explore what SMU SCS / SMU APA Student Chapter / what smart cities is about
